365 DAYS

In Poland I become a popular after a premiere of the book titled “365 dni”. The book is a romantic story about Sycilian mafia boss named Massimo. After the accident when Massimo got shot many times and almost died he saw a beautiful woman in his eyes. He promised that he will find her and he will give her 365 days to make her fall in love in him.

The story is inspired by “The Godfather” and “50 Shades of Grey”.
